* For vessels of 500 GT or less, the daily accommodation fee is USD 10; for other vessels, it is calculated by dividing the vessel's gross tonnage by 1000, rounding up to a whole number and multiplying by 25. For vessels over 81,000 GT, an additional 25 USD per 1000 GT will be charged, provided it is in accordance with the calculation in the example table.

** The accommodation fee to be charged to vessels operating on the cabotage route is applied with a 50% discount compared to the fee calculated for foreign-flagged vessels operating internationally. Decimals are rounded up to whole numbers.

***The accommodation fee to be collected from Turkish flagged vessels on international voyages is applied with a discount of 25% compared to the fee calculated for foreign flagged vessels on international voyages. Decimals are rounded up to whole numbers.
